

Moving towards a net zero economy

At **Modulaire Group**, we are committed to creating **smart spaces** for people to work, learn and live, with **circularity** and **sustainability** driving our approach.

Our targets by 2025:

-10%

total gross
emissions in
metric tonnes
CO₂

-50%

waste to
landfill per
typical unit

-10%

waste
consumption

-15%

carbon
emissions
of logistics
vehicles

How are we going to do it?

The group and its employees are strongly involved and fully committed to this environmental approach. Our company is financed by a **EUR 2.75 billion** bond linked to our **sustainability targets**.

Procurement
of Green
electricity for
operation

Fleet
electrification

Partnership
with recycling
facilities

Employee
